

Type rolls accross screen

ANNCR One hundred percent of California's population growth since 1990 has come from immigration and births to immigrants.

Moving footage of police car and crime scene

ANNCR And now ninety-five percent of outstanding homicide warrants in LA are for illegal aliens.

Moving footage of jail closing

ANNCR Two-thirds of felony assault warrants are for illegal aliens.

Pan stills of waiting room

ANNCR LA taxpayers pay 350 million dollars a year for illegal aliens' unpaid medical bills.

Moving footage of left-behind student

ANNCR California spends 2.2 billion dollars a year on education for illegal aliens and all we get are dysfunctional classrooms.

ANNCR It's time to ring the alarm bell on mass immigration.

ANNCR We're Californians for Population Stabilization and we're launching a campaign to force our leaders to address the state's immigration problems.

ANNCR But we need your help.

ANNCR Please become a member today at capsweb.org.

ANNCR Or call 805-564-6626

ANNCR We can do something about the state of immigration.

ANNCR Paid for by Californians for Population Stabilization.
